The Spirit of Life, dedicated July 14, 1915 was designed by the famous Daniel Chester French who sculpted the seated figure of Lincoln in the Lincoln Memorial in Washington D.C. On the statue, which is the true symbol of Saratoga Springs High School, is this inscription written by the late Chief Justice Charles Evans Hughes: "His chief aim was to do good and serve his fellow man."

Veronica,

It was nice having  
 you in my Social Studies  
 class It took the year  
 to get thru it and I'm glad  
 its over Now only

IT WAS NICE  
 HAVING YOU SIT BEHIND ME  
 IN CHAIRS CLASS (before I  
 GOT MOVED!) I really must  
 admit - YOU ACT A LOT SMARTER  
 THAN YOU ACT ON YOUR REPORT  
 CARD - How do you do it - I  
 like to know, I've got the  
 problem of acting a lot  
 dumber than I am. Offical  
 HAVE A GREAT  
 SUMMER

# THE TWILIGHT ZONE

Patrick Graham, a junior at Saratoga Springs High School. A man dealt a poor hand from the great big dealer in the sky. Pat was born with the humiliating birth defect of having a pen protruding from his mouth, a defect he has been able to conceal remarkably well until now. His was the first documented case ever of this cruel defect arising from excessive writer's cramp during his mother's pregnancy. We learned later, that Patrick is undergoing surgery at this time and his condition is unknown.

Apparently, Pat's condition isn't all that uncommon.

## JUST CLOWNING AROUND

Earlier this year, a strange plague overtook Saratoga High School, transforming a number of students and a few faculty members into beasts and zombies who roamed the hallways.

For several weeks, the strange creatures nearly overtook the school, while school officials tried to find the origin of the odd disease. Finally, Tom Cottone, a student and part-time P.I. discovered what caused the transformations while in the lunch line. Unafflicted biology and chemistry students worked around the clock, sacrificing soap operas and weekend parties, trying to find an antidote to reverse the horrible transformation that almost 1/5 of the school had undergone. The search continued until finally . . .

... This man found the cure. People lined up outside the auxiliary gym to receive the antidote, until finally, everyone was attended to.

The transformation back was swift, and immediately afterwards, students and school officials began an intensive search to find the person or possibly terrorist organization behind this.

To this date, no one has been found responsible ...

... but we have our suspicions.

Today, the only four people that the antidote had apparently no effect on have come out of hiding and are trying to lead normal lives as students at Saratoga High.

Due to the Commissioner of Education's ruling that the yearbook can no longer contract a professional photographer to do senior portraits, a strict guideline for pictures had to be enforced to keep uniformity. Therefore, the last pictures have been placed out of order. We apologize for any inconvenience or further confusion.

# 1986 SENIOR INDEX

The 1986 Senior Index started out as just a good idea. At first it seemed like a lot of extra work piled on top of the already time-consuming task of putting together a yearbook, but after a lot of serious thought and a willingness to work, the **1986 Recorder** Staff decided to make the Index an addition to the **Recorder**. The next eight pages are the result of months of hard legwork and typing. We hope that you, as graduating seniors, faculty, and underclassmen, find this index both informative and useful towards getting to know Saratoga Springs High School's graduating class for 1986.

The Index is organized alphabetically by last name and works in the following manner.

Senior's name

Senior's Preferred Nickname

Month and Day of Birth

Any clubs or sports that Senior participated in

How's the 302 running, oops  
Sorry 351, no 390 Big block!  
Oh well, I can see that there  
are still a few blocks that can  
be gotten to. For instance a 460!  
Any way, Enjoy! In reality  
you have it fairly easy  
your still in school. Once your  
out you tend to get lost  
easily. Some day you might  
have a real Mustang, not  
a Pinto with only a 2.3lt.  
Maybe you can come up to  
the house and change the  
car tires on the Mustang, but  
better yet I think it's safer if  
I do it myself. Good luck,  
you can't get rid of

# YEARBOOK

## 1st PLACE

On the evening of February 28, 1986, the first annual Yearbook Aid lip sync contest/concert was held. Over 260 students filled up the T.A. to witness the first of its kind event. Ten acts competed in two rounds, syncing songs as popular as Madonna's "Crazy For You" and the Pointer Sisters' "Neutron Dance" and as outrageous as "I Love Onions." All the acts were outstanding, which made it very difficult for celebrity judges, Dave Patterson, Arlene Strader, and her husband, Mr. Strader. However, after two and a half hours of competition, the \$50 grand prize was awarded to the group, Bellevue for syncing "They're Coming to Take Me Away" and "I Love Onions." Second place went to Spazz for "Revenge of the Nerds" and "Lamar's Rapp." Third place went to the Four Seasons and a Month for "Tempted" and "Oh, What a Night." The yearbook staff would like to extend their thanks to Tim Hamer, our light and sound engineer, Ken Mark, our celebrity judges, and all the participants for making this event possible.

**Farewell Now, My Friend**

I love you, my friend  
You're quite dear to me.  
A true friend you are  
And always will be.  
But you're leaving me soon  
And going your own way,  
Perhaps we will meet  
In the future someday.  
You've left me with memories  
Of good times we've had,  
To treasure forever  
And make me feel glad.  
I wish you good luck  
In all that you do,  
May all of life's pleasures  
Come your way too.  
And please may you find  
Some remembrances of me  
Always in your mind.

Trends change as the times change, and such was the case for this past school year. Many things affected our lives as High School students, ranging from television and the media, down to simple fads that will be gone as quickly as they come.

For the 1985-86 school year, Saratoga Springs High School students voted that the event which most affected them this year was the tragic explosion of the space shuttle Challenger.

The most popular television show for the year was tied between Miami Vice and the Cosby Show. This year's fashion fad also goes along with this because Saratoga students voted that the Don Johnson-look was most prominent.

And finally, the favorite movie for the year was also a tie between Rambo and Back to the Future.

Veronica,  
I want to say your letter  
should be copyrighted!  
I'm sure glad you're in  
my math class, or I  
would have died of  
Boredom, but not with  
Veronica! and VERONICA'S  
EYES? I know you'll  
be a wild senior.  
You should write  
dirty novels - sell, sell

luck in everything -  
and may God bless!

As editor-in-chief of the finest yearbook to be published in a great while, I would humbly like to extend my deepest gratitude to all who played a part in making the **1986 Recorder** a reality. When we first started out in September, we had no staff except for myself and Jeanne Bouchard, and we had no advisor. I had doubts that there would even be a yearbook this year. But, James Stanton and Nancy Pastore, both of whom a lot of credit must go to, stepped in and got the ball rolling.

It was a year of serious trials, selling ads, meeting deadlines, and keeping our tempers, but we managed, and had a lot of fun in doing it. I have to thank my editorial staff, Beth Scarano, Sarah Parks, and Cassandra Garcia for their help with the pages. Without them, this would have been a much smaller book. I must also thank Jeanne Bouchard and Wendy Renadette for the outstanding job they done with **Yearbook Aid**, we desperately needed the dough. My thanks also go to Melisa Recker and the business staff for working so hard to sell those ads. We had a big yearbook with an even bigger bill, so definitely, without your efforts this book would not have been possible. Lastly, I thank Mr. Stanton who's smiling face and dirty jokes kept us going when things were looking down. Jim, it's gonna be all right! Oh, and we can't forget Miss Pastore, for without her infinite guidance and business skills, this yearbook would have been way out of line and locked up at the Censorship Board.

Enjoy!

P.S. — Thanks, Tony. You're a good teacher and friend.

Veronica,  
Well, it's been another year! We've known each other forever it seems. About 9 years. I'm glad that we've become good friends. You're a great person and a wild woman! Give me a call over the summer (584-5182) and we can get together. Maybe we'll have some classes together next year. It always seems to be English. Good luck next year and on all your exams. Have a wild, partying summer!  
See ya next year!  
Love,  
Charlyn

Veronica, I hope you have a great summer, good luck next year. Don't stay out all night trying to see a great guy. But will you just say hi to S.S. Well, good luck and we're all good. S.S. Rush is great. Meg

Veronica,  
It has been weird in  
math this year, especially  
on the stupid construction  
quiz. Hope you pass exams  
and have an okay summer.  
See you later.
